the essays in retranslating joyce for the 21st century straddle the disciplines of joyce studies translation studies and translation theory the newest scholarly developments in these fields are well reflected in recent retranslations of joyce s works into italian portuguese french hungarian dutch turkish german south slavic and many other languages joyce critics and joyce translators offer multi angled critical attention to the issues of translation and retranslation enhanced by their diverse linguistic and cultural backgrounds and innovative methodologies because retranslations of joyce have also exerted significant influence on target language cultures students and readers of joyce and more broadly of modernist and world literature will find this book highly relevant to their appreciation of literature in translation

original and significant this book shows us how conrad and joyce manipulate representations of imperialist belief in the sacred to indict western culture for its racist colonization this striking reading of modernism emphasizes conrad s and joyce s use of chaos in general and pilgrimage in particular in terms of mapmaking racial denigration and strategies of power szczeszak brewer makes spectacular connections between sacred language nation building and literary representation georgia johnston author of the formation of twentieth century queer autobiography though they were born a generation apart joseph conrad and james joyce shared similar life experiences and similar literary preoccupations both left their home countries at a relatively young age and remained lifelong expatriates empire and pilgrimage in conrad and joyce offers a fresh look at these two modernist writers revealing how their rejection of organized religion and the colonial presence in their native countries allowed them to destabilize traditional notions of power colonialism and individual freedom in their texts throughout agata szczeszak brewer ably demonstrates the ways in which these authors grapple with the same issues the grand narrative paralysis hegemonic practices the individual s pilgrimage toward unencumbered self definition within the rigid bounds of imperial ideologies and myths the result is an engaging and enlightening investigation of the writings of conrad and joyce and of the larger literary movement to which they belonged

in joyce s grand opera two internationally respected joyce scholars join forces to present over 3 000 of joyce s opera allusions as they appear in finnegans wake ruth bauerle s long richly detailed and often amusing introduction critically interprets joyce s life and work in terms of its operatic and literary interconnections the resulting volume will delight both opera lovers and joyceans

includes part 1a books and part 1b pamphlets serials and contributions to periodicals
