rédigés aux alentours de l'an 1200 par un érudit danois du nom de saxo auquel la postérité devait décerner le qualificatif de grammaticus en raison de son goût pour les auteurs latins les gesta danorum constituent la première chronique du danemark depuis les origines mythiques jusqu'à la fin du xii^e siècle dans la partie proprement historique de l'ouvrage livres x xvi l'auteur a élevé un remarquable monument à la gloire du roi valdemar le grand 1157 1182 et surtout de

l'archevêque absalon qui gouverna le royaume pendant plusieurs décennies ce sont toutefois les neuf premiers livres des gesta danorum qui depuis longtemps suscitent le plus vif engouement car derrière la plupart des héros et des rois du danemark fabuleux que saxo fait revivre ici à l'aide de traits souvent empruntés à la littérature classique derrière les strophes aux accents virgiliens ou horaciens qu'il fait déclamer à nombre de ses personnages se dissimule en réalité le vaste trésor tout à la fois poétique légendaire et mythologique de l'antiquité scandinave voici le roi hadingus dont la carrière est certainement démarquée de celle d'un dieu nordique comme l'a démontré georges dumézil voici éclairé par le même savant le héros starcatherus et les trois fautes commises par ce personnage d'origine monstrueuse voici encore le prince amlethus sa simulation de la folie sa mélancolie et sa vengeance légende sans doute très ancienne et promue à la plus brillante fortune c'est elle en effet qui fournira à william shakespeare le sujet de sa tragédie sur un prince du danemark à l'exception de quelques chapitres cette œuvre puissante dont le style et la composition firent l'admiration d'erasme n'avait pas encore été traduite en français

essays on aspects of medieval french literature celebrating the scholarship of sarah kay and her influence on the field sarah kay is one of the most influential medievalists of the past fifty years making vital theoretically informed interventions on material from early medieval chansons de geste through troubadour lyric to late medieval philosophy and poetry in french occitan latin and italian this volume in her honour is organised around her six major monographs published between 1990 and 2017 its essays engage in critical constructive dialogue with different aspects of kay's work and envisage how these might shape medieval french as a discipline in coming years or decades the subject matters demonstrate the richness of the discipline animal studies musicology temporality the material turn medieval textuality feminism queer theory voice medieval and modern intellectual formations psychoanalysis philology visual arts transversal criticism the literary object affect rhetoric body the past modern responses to medieval forms and tropes non christian texts and thought patterns politics reiterating kay's engagement with medieval literature's complex philosophical debates and analytical scrutiny of human knowledge and affect they follow her in emphasising how the pleasure of reading medieval literature depends crucially on that literature's intellectual robustness these essays shed new light on a range of canonical and less well known medieval texts and artefacts to present a fresh perspective on the field of medieval studies by the past modern responses to medieval forms and tropes non christian texts and thought patterns politics reiterating kay's engagement with medieval literature's complex philosophical debates and analytical scrutiny of human knowledge and affect they follow her in emphasising how the pleasure of reading medieval literature depends crucially on that literature's intellectual robustness these essays shed new light on a range of canonical and less well known medieval texts and artefacts to present a fresh perspective on the field of medieval studies

medieval france saw constantinople as something of a quintessential ideal city aspects of byzantine life were imitated in and assimilated to the west in a movement of political and cultural renewal but the byzantine capital was also celebrated as the locus of a categorical and inimitable difference this book analyses the debate between renewal and utopia in western attitudes to constantinople as it evolved through the twelfth and thirteenth centuries in a series of vernacular old french occitan and franco italian texts including the pèlerinage de charlemagne girart de roussillon partonopeus de blois the poetry of rutebeuf and the chronicles by geoffroy de villehardouin and robert de clari both known as the conquête de constantinople it establishes how the texts representation of the west s relationship with constantinople enacts this debate between renewal and utopia demonstrates that analysis of this relationship can contribute to a discussion on the generic status of the texts themselves and shows that the texts both react to the socio cultural context in which they were produced and fulfil a role within that context p 4 of cover
